RULES AND REGULATIONS

GENERAL: Bitches in season are not allowed on the ground. Anyone knowing of their dogs being in contact with any infectious disease should not attend the training day.

DISCLAIMER: Participants enter at their own risk. Neither the Club nor the Host can be held responsible for any injury, loss or damage to person or property however occasioned.

DIRECTIONS: Post Code YO21 2DE.

From Kirbymoorside follow the A170 eastwards, after about 3 miles take a left turn for Hutton-le-Hole and Castleton. Drive straight through Hutton-le-Hole and follow the road over the moors for 15 miles to Castleton, (passing the Red Lion Pub on your LHS about 3 miles before Castleton). At Castleton drive over the cattle grid and almost immediately take the left hand turn to Westerdale, after 200 yards take another left turn for Westerdale - this road is gritted by Richard Findlay in icy weather. Follow the road for about a mile, at the grass triangle turn right down the farm road to Quarry Farm, and park on the grass field just before the farm. Please do not take any of the other roads for Westerdale, especially in bad weather, as they are very steep and narrow.

From Guisborough, just before Moorsholm, take a right turn off the A171 to Castleton. In Castleton turn right for Hutton-le-Hole, up to the top of the hill, and just before the cattle grid turn right to Westerdale followed by a left turn as above.
